Camber Pharma Discontinues Products

Piscataway, NJ, March 3, 2016– Effective February 28, 2016 Camber Pharmaceuticals’ parent company, Hetero Drugs, has sold some of their product line to Cipla Ltd. of Mumbai India. For a list of the discontinued products please visit our [Products Page](#).

Kon Ostaficiuk, President of Camber commented, “First and foremost we want to reassure you that Camber’s commitment to its customers to deliver the highest quality generic pharmaceuticals and provide excellence in service, supply and affordability has never been stronger.”

“This sale, a historic milestone for Hetero and Camber, will provide us with an unprecedented opportunity to invest in state-of-the-art facilities and new ANDA’s which will help take Camber to the next level as an organization.” Ostaficiuk continues, “We are planning an aggressive launch schedule that will see us introduce some 30 new products each year for the next two years which will quickly replenish our portfolio.”

Camber Pharmaceuticals is a fully integrated international pharmaceutical company that maintains quality and integrity in all its products. Its parent company, Hetero Drugs of Hyderabad India, is one of the world’s leading API and finished dosage manufacturers. Camber’s commitment to the consumer is to bring the highest quality generic pharmaceuticals to the market to improve quality of life through cost-effective medications.
