Camber Team is proud to support the National Breast Cancer Foundation

Piscataway, NJ– Camber Pharmaceuticals and its associates are pleased to once again support the National Breast Cancer Foundation. This past October in honor of Breast Cancer Awareness month the associates of Camber Pharmaceuticals held a fundraiser to help raise money for the “Provide a Mammogram” program. Camber and its associates had bake sales, merchandise sales, dress down day, and received general monetary donations. Camber is proud to show our support and raise money for such a wonderful organization.

The associates at Camber want to thank the National Breast Cancer Foundation for its dedication and hard work. We applaud your efforts and we hope our donation can help make a difference in someone’s life.

Camber Pharmaceuticals is a fully integrated international pharmaceutical company that maintains quality and integrity in all its products. Its parent company, Hetero Drugs of Hyderabad India, is one of the world’s leading API and finished dosage manufacturers.
