Camber Pharma Launches Generic Percocet®

Piscataway, NJ, June 12, 2017— Camber Pharmaceuticals is pleased to announce the addition of **Oxycodone and Acetaminophen (APAP) Tablets** to our growing portfolio.

Oxycodone APAP Tablets are the generic version of Percocet® tablets from Vintage Pharmaceuticals and are used to treat moderate to moderately severe pain. **Oxycodone APAP Tablets from Camber are available in 2.5/325mg, 5/325mg, 7.5/325mg and 10/325mg— 100 and 500 count bottles.** Camber anticipates shipping in second quarter 2017.

Oxycodone APAP is the first of several controlled substance C2 launches coming from Ascent Pharmaceuticals, Inc. of Central Islip, New York, Camber's sister company. Ascent is engaged in the development and manufacturing of generics from a wide range of therapeutic areas.

Several other controlled substances are scheduled for release in the coming months including Oxycodone HCl Oral Solution, Dronabinol Capsules and Fentanyl Sublingual Tablets.

Camber Pharmaceuticals is a fully integrated international pharmaceutical company that maintains quality and integrity in all its products. Camber's commitment to the consumer is to bring the highest quality generic pharmaceuticals to the market to improve quality of life through cost-effective medications.
