## Camber Supports St. Hubert's Animal Welfare Center

Piscataway, NJ, October 24, 2017

Camber is proud to support a great organization like St. Hubert's Animal Welfare Center.

In the last few weeks, the associates of Camber came together to help raise money for the animals that were affected by the recent hurricanes in the US. St. Hubert's has welcomed thousands of homeless pets and they continue to create new programs that are making a measurable impact in our local communities as well as across the US in their mission to save more lives.

If you want to make these initiatives possible and help expand animal care and community outreach efforts in order to save more furry friends, contact St. Hubert's at <https://www.sthuberts.org/> or call 732-377-7094.
